I feed the damaged  
Your soul is mine  
I feed the damaged  
It'll come in time

To feel the pressure  
So deep inside  
To feel the pressure  
You'll burn alive

I've got the answer  
So short inside  
I've got the answer  
I'll win this time

Keep holding on

Now a helpless cry  
Hate is blind  
Feed off my life  
The fear to fail  
Lies in me  
The fear to fail  
Will arise

To capture a moment without being seen  
A painted picture of one lost dream  
This weight on my shoulders has kept me blind  
Reach inside and find what's mine

The darkness speaks  
You keep it, under your skin  
I feel your pain

Because I can't, drawn illusions speak  
When every word has no meaning  
An empty room is somewhat soothing  
Reach inside and find what's mine

Just to capture this moment without being seen  
This is my dream
