I hate to be the one  
Who's given up  
And feels that all our hope is gone  
But what I thought was a miracle  
Just turned into the same old  
Problem that it was

She longs for better days  
She's always been afraid

Chorus:  
It's a shame, oh it's a shame  
That you are throwing your whole life away  
It's a shame, oh it's a shame  
I wonder if you're ever going to change  
It's a shame

Ever since I can recall  
She has been so afraid  
Of you losing it all  
What do you want?  
Do you even know?  
And is it worth the pain?  
We all have to endure

She longs for better days  
She's always been afraid

You left her without leaving  
You hit her without swinging  
You took away without giving a thing  
Except for pain and sorrow  
I'm praying that tomorrow  
You will open up your eyes and see
