Hey Mama, take a look at me now  
Things are going fine here in the big town  
Hey Mama, if you could only see  
All of my friends and how they love me  
And I know, you said I need Jesus  
But mama can't you see I'm doing fine  
Yes I know, you said I need Jesus  
But mama I aint got the time, no I aint got the time  
No, no  
Hey mama, it's been two long years since I have seen  
you  
How are things you hear  
Hey mama, things they aren't the same  
Since I last wrote you, well things have changed  
And I know, you say I need Jesus  
But mama can't you see I'm doing fine  
And I know, you say I need Jesus  
But mama I aint got the time, no I aint got the time  
No, no  
Well, everything's going wrong  
Yes, everything's going wrong  
No, I can't take it no more  
Well, everything's going wrong  
Yes, everything's going wrong  
No, I can't take it no more  
Well, I need Jesus  
I guess I need Jesus  
Forgive me  
Come into my life, Come into my heart  
Precious Jesus, precious Jesus  
And I know, you said I need Jesus  
But mama can't you see I'm doing fine  
Yes I know, you said I need Jesus  
Well mama he is in my life, yes he is in my life  
Yeah, yeah
