Fuck off I don't want to be...
I don't need to be... that's my guarantee
Don't follow me don't step inside of me
With my technology I see what I'll be

Take my power
Don't believe me
Execute me
Smell the fever
Feel the river
Drown in my tears
Feel the river
Drown in abyss

Fuck off I don't want to be...
I don't need to be... that's my guarantee
Don't follow me don't step inside of me
With my technology I see what I'll be

Take my power
Don't believe me
Execute me
Smell the fever
Feel the river
Drown in my tears
Feel the river
Drown in abyss

Rip off you don't want to see...
You don't need to be... that's my fantasy
I'd never dreamed last night it's gonna be allright
In your geography I'll be what I see

Hate hate hate...
