Lyrics by Mac Powell/Music by Third Day  
From the recording: Come Together, Track #11.

Sing praises to our God, sing praises  
Sing praises to our King, sing praises  
Let all the nations sing  
Let all the nations sing of His love  
Oh, sing praises

So shout for joy all of His children  
So shout for joy all of His children  
Let all the people sing  
Let all the people sing of His love  
Oh, sing praises

For You are God and You are worthy  
Of all our lives and all our praise  
And so we sing to the Most Holy  
The Lord, our God  
The Lord, our King

Sing praises to our God, sing praises  
Sing praises to our King, sing praises  
For He alone is God  
For He alone is worthy of praise  
Oh, sing praises
