Maybe you don't feel it, you must be wearing armour
Maybe you don't hear it, you must have wax in your ears
Maybe you can't see it, you've worn that blindfold for years
Are you anaesthetized?
Are you preoccupied?
Did someone cruel tell you lies?
Did you believe it?
Or have you seen it all?
Love is like a mountain if you never try the climb there's no risk at all
Is there no challenge?
Don't you know the edge where the innocents fall?
(Where the innocents fall?)
Maybe you can't hold it but then it was never yours to hold
Perhaps you've gone crazy, living with no one to catch your fall
Could you be hypnotized?
Have you been analyzed?
Did someone cruel tell you lies?
Did you believe it?
Or have you seen it all?
Love is like a mountain if you never try the climb there's no risk at all
Is there no challenge?
Don't you know the edge where the innocents fall?
Love is like a mountain if you never try the climb there's no risk at all
Is there no challenge? (Is there no challenge?)
