Verse 1 :

I don't know what you wanna do
I'm not sure if it's me or you
All I know, mylove
I really thought you were the one

I wouldn't wanna die so fast
If it was meant to fast
I wouldn't have to break free
If this was meant to be

Chorus :

Sometimes you hit, sometimes you miss
I wanna know how life is, oh baby
Sometimes you hit, sometimes you miss
So I am saying goodbye with a kiss

Verse 2 :

When I laugh I think of you
When I cry I remember you
And I rush inside
I tried to hold on, somehow I died

There's no need to regret
Or wish that we never met
I wouldn't have to break free
If this was meant to be

Sometimes you hit, oh baby
Sometimes you hit,

Chorus

B - Chorus :

Sometimes you hit, sometimes you miss
I guess that just how my life is
Sometimes you hit, sometimes you miss
So I'm saying goodbye with a kiss

Chorus to fade
