Lead in night at the laundry mat  
And I'm staring at you pulling clothes from a dryer  
And I'm wondering how I got here  
'Cos It seems some how I keep getting stuck in the mire

I needed this more than I knew  
And I let you down and I said I'm sorry  
But the light that falls on my castle walls  
And my basketballs pelt me with bricks in my dreams

Do lo do do  
Tonight  
Do lo do do  
Oh, maybe  
What you need I hope it finds you  
Oh, I might

Do lo do do  
I might be  
Do lo do do  
Well, maybe  
Maybe someday you'll get it right  
Oh, I

If I could bottle my hopes in a store bought scent  
They'd be nutmeg peach and they'd pay the rent  
And I'd ride a horse, and I'd teach a course  
On how I got to be a star crossed pimp

Get up  
Get up  
Well  
You ride on back there you there

Do lo do do  
Oh I might  
Gonna live forever boy  
I might  
Oh, you're a clever boy  
Maybe  
You know you never said goodnight  
Oh I might

When I  
When I  
When I

Oh, oh, oh, oh, oh, oh, oh  
Do lo do do  
I might  
Do lo do do  
Maybe  
Whatcha need I'll help you find you

Are you a clever boy  
Gonna live forever boy  
Maybe some day you'll get it right  
Oh, I might
