The rise and fall of my sloppy love, the smatterin's
And splatterings, they'll get you
I'm not the one you were thinking of
Maybe you thought I'd call, instead of crashing down
your hall

Hold me down, I wanna find out
You know you will never get what you need

Blue diamond strike 'em anywhere, first we caffeinate
Then incinerate, we'll get ya
And sparks will fly in the summer air
Did you pull out of your stall, maybe I'll see you after all

Hold me down, I wanna find out
We say no, 'cause I live my life like a

Burnin' man
Like a burning man
A burning man
Like a burning man
And I won't get enough
Until my legs are broken

My rise and fall, shinin' in a void, life is not to fear
Life is to enjoy, he'll get ya
Oh Mr. Death catches all someday, baby, I thought
you'd call
Or leave a light on in the hall

Hold me down, but I'll find out
We say no, 'cause I live my life like a

Burnin' man
Like a burning man
A burning man
Like a burning, burn

Hold me down, I wanna find out
We say no, 'cause I live my life like a

Burnin', burn

Like a burning man
A burning man
Like a burning, burn
And I won't get enough
Until my legs are broken
