Third Eye Blind Feat. Merle Haggard

Johnny Cash (x4)

Johnny Cash trying to calm the criminal, soothed and imprisoned by a Memphis summer hymnal, with a safety razor and a good man's nightmare, and that long road out of here paved with words that he don't believe, and a bitch of a woman caused the man in black to grieve

Everybody knows where you go when the sun goes down

I think you only live to see the lights of town
I wasted my time when I would try, try, try
'Cause when the lights have lost their glow
You'll cry, cry, cry

Soon your sugardaddies will all be gone
You wake up some cold day and find you're alone
You'll call for me but I'm gonna tell you bye, bye, bye
When I turn around and walk away you'll cry, cry, cry

Chorus:

You're gonna cry, cry, cry and you'll cry alone
When everyone's forgotten and you're left on your own
You're gonna cry, cry, cry

I lie awake at night to wait 'till you come in
You stay a little while and then you're gone again
Every question that I ask I get a lie, lie, lie
For every lie you tell you're gonna cry, cry, cry

You're gonna cry, and then you'll, you'll cry alone
When everyone's forgotten and you're left on your own
You're gonna cry, cry, cry, cry

When your fickle love gets old, and no one will care for you

You'll come back for me for a little love that's true
I'll tell you no and then you'll ask me why, why, why
When I remind you of all of this you'll cry, cry, cry

You're gonna cry, cry, cry and you, you'll want me then
It'll hurt when you think of all the fool you've been
You're gonna cry, cry, cry, cry
Cry, cry, cry, cry
You're gonna cry, cry, cry

Johnny Cash trying to calm the criminal, soothed and
imprisoned by a Memphis summer hymnal, with a
saftey razor...
It's gonna hurt you, hurt you
