Blue come over
Born a joneser
And the cops pull out the radar
And shoot devious grins
Another day begins
Ah...
I want someone to know me
Maybe tell me who I am
'Cause IÃ©Ã©e faced down my demons
And cried out to a god
A god IÃ©Ã©e never seen
Lights
And the world darkens around me
Strange friends all surround me
New ideas in my head start to burn
Dropped out of schools 'cause of things I never learned
'Cause the world darkens around me, yeah
World darkens around me, yeah
Oooh...

I want you to love me
Like ya did, before you knew me
And I never thought thereÃ©Ã© be any help
For somebody like me
A vacancy
Sing
'Cause the world darkens around me
Strange friends all surround me
New ideas in my head start to burn
Trust no one, that's the one thing that I've learned
'Cause the world darkens around me, yeah
Yie yie yie yie yie yie...
Bring me the sun
'Cause I slide off the moon
Bring me the sun
Ohh, yeah.
(Slide off the moon)
Ooohhhyeah
(You better get home soon)
ThereÃ©Ã© no hope for people, yeah, like you and
me
ThereÃ©Ã© no hope for people

(Whoa...Yeeaaaieeee)
(Slide off the moon)
Whooooaaa
Bring me the sun
(You better get home soon)
'Cause I slide off the moon
Bring me the sun
(Slide off the moon)
Whoa...go.
