Horny and burned out now is how it always ends for me
yeah
Chemicals wear me down in your summertime
bacchanalian
I saw you go faster than the morning comes
She walks away like a lady
It's always the fallen ones I think are always gonna
save me
I saw you go
Faster whoa
I wanna get off one time and not apologize
Whoa You've gotta steal the time of a life that's
passing by
In bed she flexes her knees to try and abate the feeling
She mouths the words 'please' to the poster on the
ceiling
I saw you go faster right in front of me
She stares at him so madly
She's got the nerve to say she wants to fuck that boy so
badly
I saw you go
Faster whoa
I wanna get off one time and not apologize
Whoa you gotta steal the time of a life that's passing by
Whoa I wanna get off one time and look you in the eyes
Whoa I wanna get off one time get off one time
I was hoping you would be waiting there for me lately
I was hoping you'd be waiting for me
I was hoping you'd be waiting there for me lately
I was hoping you would be waiting there for me.
I was hoping you would be waiting there for me lately
But you're not the kind who would be waiting
Not for anybody
You're not the kind who would be waiting there for
anybody
Not even me
Ooh Ooh Just one time
Ooh Ooh I could go off right now
Whoa oh I wanna get off
Whoa oh I wanna get off one time and not apologize
Whoa oh You gotta steal the time from a life that's
passing by

Its not for sale
Not for sale
Not for sale
My life's my own
My life's my own
My life's my own
