I'm only pretty sure that I can't take anymore  
Before you take a swing, I wonder  
What are we fighting for  
When I say out loud, I wanna get out of this  
I wonder, is there anything I'm gonna miss  
I wonder, how it's gonna be  
When you don't know me  
How's it gonna be  
When you're sure I'm not there  
How's it gonna be  
When there's no one there to talk to  
Between you and me  
Cause I don't care  
How's it gonna be  
How's it gonna be  
Where we used to laugh  
There's a shouting match  
Sharp as a thumbnail scratch  
A silence I can't ignore  
Like the hammock by the doorway  
We spent time in  
Swings empty  
I don't see lightning like last fall  
When it was always about to hit me  
I wonder how's it gonna be  
When it goes down  
How's it gonna be  
When you're not around  
How's it gonna be  
When you found out there was was nothing  
Between you and me  
Cause I don't care  
How's it gonna be  
How's it gonna be  
When you don't know me anymore  
How's it gonna be  
Want to get myself back in again  
The soft dive of oblivion  
I wanna taste the salt of your skin  
The soft dive of oblivion  
How's it gonna be  
When you don't me anymore

How's it gonna be (Repeat
