I'm only pretty sure  
That I can't take anymore  
Before you take a swing  
I wonder what are we fighting for

When I say out loud  
I wanna get out of this  
I wonder is there anything  
I'm gonna miss

I wonder how it's going to be  
When you don't know me  
How's it going to be  
When you're sure I'm not there

How's it going to be  
When there's no one there to talk to  
Between you and me  
'Cause I don't care  
How's it going to be  
How's it going to be

Where we used to laugh  
There's a shouting match  
Sharp as a thumbnail scratch  
A silence I can't ignore

Like the hammock by the doorway  
We spent time in, swings empty  
I don't see lightning like last fall  
When it was always about to hit me

I wonder how's it going to be  
When it goes down  
How's it going to be  
When you're not around

How's it going to be  
When you found out there was nothing  
Between you and me  
'Cause I don't care  
How's it going to be

How's it going to be  
When you don't know me anymore  
And how's it going to be

Wanna get myself back in again  
The soft dive of oblivion  
I wanna taste the salt of your skin  
The soft dive of oblivion, oblivion

How's it going to be  
When you don't know me anymore  
How's it going to be  
How's it going to be  
How's it going to be
