Riding on the road with friends
And the road trip ends
The weather changes mood
Try to keep my jaw from dropping
When you found out things I wish I'd never knew
I wish I'd never knew

And everybody's got a story to tell
And everybody feels some pain
So do you (so do you)
Do you think you are invisible?
Do you think you are invisible today?

And everybody's got a letter to write
And everybody's lost a fight
So have you (so have you)
Do you think you are invisible today?

Daddy's only child cries
And he calms him down the best that he can do
Try to make your mother love me
But she's got other ideas what is good for you
What is good for you

And everybody's got a story to tell
And everybody feels some pain
So do you (so do you)
Do you think you are invisible?
And everybody's got a letter to write
And everybody's lost a fight
So have you (so have you)
Do you think you are invisible today?

Do you think you are invisible today?
Do you think you are invisible today?
Do you think you are invisible?

Whoaaaaaaaa-o-o-o o-o-o
Whoaaaaaaaa-o-o-o-o o-o-o

Everybody's got a story to tell
Everybody feels some pain

So do you (so do you)
Do you think you are invisible?
And everybody's got a letter to write
And everybody's lost a fight

So do you yeah
So do you yeah
So do you whoa
So do you whoaaaaa

ohhhhh-o-o-o o-o-o
Whoaaaaaaaa-o-o-o-o o-o-o

I keep on motoring, I keep on motoring
Motoring with your radio song
And we can't get along, the motoring song
Put your radio on (Do you think you are invisible?)

Riding on the road with friends
And the road trip ends
When the weather changes mood

Do you think you are invisible?
