I'm packed and I'm holding, I'm smiling,
She's living, she's golden, she lives for me
She says she lives for me
Ovation, She's got her own motivation
She comes round and she goes down on me
And I make her smile like a drug for you
Do ever what you want to do
Coming over you
Keep on smiling what we go through
One stop to the rhythm that divides you
And I speak to you like the chorus to the verse
Chop another line like a coda with a curse
And I come on like a freak show takes the stage
We give them the games we play, she said
I want something else
To get me through this Semi-charmed kind of life Baby,
Baby
I want something else, I'm not listening when you say
Good-bye.
Do-do-do do-do-do-doodoo-do-do-do do...
The sky was gold, it was rose
I was taking sips of it through it my nose
And I wish it could get back there
Some place back there
Smiling in the pictures you would take
Doing crystal meth will lift you up until you break
It won't stop, I won't come down
I keep stock with a tick-tock rhythm and a bump for the
drop
And then I bumped up, I took the hit that I was given
Then I bumped again, And then I bumped again,
How do I get back there
To the place where I fell asleep inside you?
How do I get myself back to the place
The place where you said
I want something else to get me through this semi-
charmed kind of life
I want something else, I'm not listening when you say
good-bye
I believe in the sand beneath my toes
The beach gives a feeling an earthy feeling
I believe in the faith that grows

And the four right chords can make me cry
When I'm with you I feel like I could die
And that would be all right, all right
When the plane came in she said she was crashing
The velvet it rips in the city
We tripped on the urge to feel alive
But now I'm struggling to survive
The days you were wearing that velvet dress
You're the priestess I must confess
Those little red panties they pass the test
Slide up around the belly face down on the mattress
One
Now you hold me
And we are broken
Still it's all that I want to do
(Just a little now)
Feel myself with a head made of the ground
I'm scared I'm not coming down
And I won't run for my life
She's got her jaws just locked now in a smile
But nothing is all right, all right
And I want something else to get me through this life
Baby, Baby
And I want something else, I'm not listening when you
say
Good-bye, good-bye, good-bye...
Do-do-do-doodoo-do-do-do
