Ohh

Ohh

You say you stand, by your man
Tell me something, I don't understand
You said you loved me, and that's a fact
The you left me, said you felt trapped
Well, some things you can't explain away
And the heartache's with me till this day
You didn't stand by me
No, not at all
You didn't stand by me
No way
All the times, when we were close
I'll remember, these things the most
I see all my walls come tumblin' down
I can't be happy, without you around
So alone, I keep the wolves at bay
And there's only one thing I can say
You didn't stand by me
No, not at all
You didn't stand by me
No way
You must explain...why this must be
Did you lie...when you spoke to me?
Did you stand be me?
No, not at all
Now I got a job, but it don't pay
I need new clothes, I need somewhere to stay
But without all of these things I can do
But without your love, I won't see it through
But you don't understand my point of view
I suppose there nothing I can do
You didn't stand by me
No, not at all
You didn't stand by me
No way
You didn't stand by me
No, not at all
You didn't stand by me
No way

You must explain...why this must be
Did you lie...when you spoke to me?
Did you stand be me?
No, not at all
Did you stand by me?
No way
No way
No way
No way
No way
Go...
