

## Third Try "Enjoy The Silence"

Visit "[Enjoy The Silence](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Words are thoughtless  
Break the silence  
Incompassionate  
Into my little word  
Faithful to me  
Pierce right through me  
Can't you understand?  
Oh my little girl

All i want is  
All i need is  
Here in my arms  
Words are very,  
Unessecary  
They don't lead to heart

Vowels are spoken  
To be broken  
Feeling sorry sense  
Words are trivial  
Words are remakes  
Words are meaningless  
And forgettable

All i want is  
All i need is  
Here in my arms  
Words are very,  
Unessary  
They don't lead to heart
