Love don't give compensation  
Love don't pay no bills  
Love don't give no indication  
Love just won't stand still

Love kills  
Thrills you through your heart  
Love kills  
Scars you from the start  
It's just a living pastime  
Ruining your heart line  
Stay for a lifetime  
Won't let you go  
Cause love, love, love, won't leave you alone

Love won't take no reservation  
Love is no square deal  
Love won't give no justifications  
It strikes like cold steel

Love kills  
Drills you through your heart  
Love kills  
Scars you from the start

It's just a living pastime  
Burning your life line  
Gives you a hard time  
Won't let you go  
Cause love, love, love, won't leave you alone

Love can play with your emotions  
An open invitation to your heart  
Hey love kills  
(repeat)

Love kills, love kills, love kills,

Love kills  
Thrills you through your heart  
Love kills

Scars you from the start

It's just a living pastime  
Ruining your heart line  
Won't let you go

Love kills  
Drills you through your heart  
Love kills  
Tears you right apart  
It won't let you go  
It won't let you go  
Love kills
