Let's go chasing rainbows in the sky  
It's my invitation  
Let's all take a trip on my ecstasy

I'm Mr. Bad Guy  
Yes I'm everybody's Mr. Bad Guy  
Can't you see I'm Mr. Mercury  
Oh, spread your wings and fly away with me.

Your big daddy's got no place to stay  
Bad communication  
I feel like the president of the USA

Mr. Bad Guy  
Yes I'm everybody's Mr. Bad Guy  
Can't you see I'm Mr. Mercury  
Oh, spread your wings and fly away with me.

I'm Mr. Bad Guy  
They're all afraid of me  
I can ruin people's lives  
Mr. Bad Guy they're all afraid of me  
It's the only way to be  
That's my destiny  
Mr. Bad Guy, Mr. Bad Guy, Bad Guy

It's the only way for me  
It's my destiny

Mr. Bad Guy  
Yes I'm everybody's Mr. Bad Guy  
Can't you see this is my destiny  
Oh, spread your wings and fly away with me.
