Yo Enuff

Yo, the wax must be the dope or the drugs

Cause the turntables always got needles in they arms..

Yo, more than a little bit (better than a lot)

Never too much (DJ, Enuff)

Yo, more than a little bit (better than a lot)

Never too much (DJ, Enuff)

Yo, more than a little bit (better than a lot)

Never too much (DJ, Enuff)

Yo, more than a little bit (better than a lot)

Never too much (DJ, Enuff)

From the morning show, to the midnight run

A DJ's needles should only live life once

Record crate, after record crate

Hip-Hop, Soul, Merengue, Reggae breaks

BROOKLYN! Where my 'Lo goose keeps me warm

(BROWNSVILLE) with fam in East New York

Any state, hip-hop legends say

Enuff been spinnin just as long as Crazy Legs

One turntable (scratch) two turntables (mix)

Three turntables (cut) FOURRRRRRR (Enuff)

Five turntables (scratch) six turntables
