Yo yo yo hold up hold up son, hold up son let me go
son

Just yo tell me if you ever heard this shit before son,
word up son

Word to mother son, word up I got some shit too son

Let me do my thing son, hold up hold up hold up
though son~!

Hold up, hold up son! I'ma kick this shit son

I'ma kick this shit, hold up son

Hold up son, hold up hold up son

Let me just, let me just kick this shit son, hold up

I grab a mic and I bite it like Dracula

Captivatin crowds with my styles, how I dazzle y'all
niggaz

MC star lookin to evacuate

When I enter shows, niggaz knows I eliminate

Cause I combine some rhymes, I put 'em on lines

It's never run of the mill, it's some skills from the great
mind

MC's scattin like dirty rats, runnin from a cat

I just stomp on out like a doormat

Abandon the area, push the volume to the max

Cause I'm about to make some states collapse, with
monster rhymes

Hit it

Yo hold up hold up hold up hold up son, but hold up son

Hold up son, I got some more shit though son!

Let me kick my next shit son, my next shit son

Word to mother son, hold up

I got some other shit in my pocket son on this paper
son

I just wrote this shit son, hold up

Hold up son hold up son

I grab a mic and I bite it like Dracula

Captivatin crowds with my styles, how I dazzle y'all
niggaz

MC star lookin to evacuate

When I enter shows, niggaz knows I eliminate
Cause I combine some rhymes, I put 'em on lines
It's never run of the mill, it's some skills from the great
mind
MC's scattin like dirty rats, runnin from a cat
I just stomp on out like a doormat
Abandon the area...

It's never run of the mill, it's some skills from the great
mind...
