Have you ever believed in something so good?
I never thought that I would find the one to spend my
life with.

I hope that you'll stay with me and
I'll never need a love again.

I hope that you'll understand that

I will always hold on to
The things that made me fall for you.
If you need me, I'll be there
And I'll be holding on to you;
And I'll be holding on to you love.

As faith sets in, I know that things
Will fall into place... you don't have to worry.
I hope that, you'll stay with me
I'll never need a love again.
I hope that you'll understand that

I will always hold on to
The things that made me fall for you.
If you need me I'll be there
And I'll be holding on to you;
And I'll be holding on, to you love.

I'll never need to be alone
As long as I have you.
You make me so happy.

I will always be in love with you,
In love with you.

I will always hold on to
The things that made me fall for you.
If you need me I'll be there
And I'll be holding on to you;
And I'll be holding on, to you love.
