You live through what you learned from family  
Our history was altered from the start  
I don't really know what it is  
Or how we came to be like this  
Oh I remember when we started off  
We started of in love...

Runaway love with a glass heart  
Let me in, Let me win,  
A chance to sweep you off of your feet again  
This time we can make the work  
No more fights  
For just one night  
Live in the moment  
This is our moment

And now  
I deal with excuses  
And running away from me.  
Everyday you come and go and now I'm left to fall  
You're wrong you know  
You're wrong  
You can't get over it!

Runaway love with a glass heart  
Let me in, Let me win,  
A chance to sweep you off of your feet again  
This time we can make the work  
No more fights  
For just one night  
Live in the moment  
This is our moment

Let me in  
Let me in now  
Because I'm right here for you (tonight)

(Yeah) Were running out of time  
(Oh yeah) Lets do this right this time  
There no more wrong we are always right you and me  
tonight  
Runaway love with a glass heart oh

Runaway love with a glass heart LET ME IN!

Runaway love with a glass heart  
Let me in, Let me win,  
A chance to sweep you off of your feet again  
This time we can make the work  
No more fights  
For just one night  
Live in the moment  
This is our moment

With all my heart  
With all my heart

Live in this moment tonight
