You were lost, he was gone  
I was here all along  
Is it over yet?  
Is it over yet?

Cause I'm a lover, not a fighter  
But I'm battling a heavy heart  
Yeah I'm battling a heavy heart  
Leave it up to me

I've been waiting a long time  
I've been waiting a long time  
I would never ever do those things to you  
We could run away if you wanted to  
I've been waiting a long time for you

Are you sure he's the one?  
I was sure he was done  
Is it over yet?  
Is it over yet?

Cause I'm a lover, not a fighter  
But I'm battling a heavy heart  
Yeah I'm battling a heavy heart

I've been waiting a long time  
I've been waiting a long time  
I would never ever do those things to you  
We could run away if you wanted to  
I've been waiting a long time for you

(Instrumental Break)

I've been waiting a long time  
I've been waiting a long time  
I've been waiting a long time for you
