Hey! prima donna
Don't you wanna?
Come a little closer
Stay a little longer

Cause I hear your voice
Cut through the noise
I wanna hear the words
You say...

Hey! Carolina
Don't you wanna talk to me?

She comes, She goes
She's everywhere I wanna be
When she's high, she's low
She's everything, everything

I follow her like a satellites
Around, around she goes
She's everywhere, she's everything

Hey Carolina
Don't you see me?
Standing in your sunrise
Soaking up your daylight

Cause I know your smile
Will last for a while
But I need you more and more each day
Cause I hear your voice
Cut through the noise

She comes, She goes
She's everywhere I wanna be
When she's high, she's low
She's everything, everything

I follow her like a satellittes
Around, around she goes
She's everywhere, she's everything

Spinning like a perfect diamond
Throwing in the light
She's shining...
Just the way I like it
And I can't fight it

Spinning like a perfect diamond
Baby keep it raining down on me,
Down on me...

Hey Carolina
Don't you wanna?
Stay a little longer
Talk to me

She comes, She goes
She's everywhere I wanna be
When she's high, she's low
She's everything, everything

I follow her like a satellites
Around, around she goes
She's everywhere, she's everything... >:)
