Lets make this a night to remember lets forget all the
times we spent together lets run with our eyes closed
'cause i
Suppose some dreams are meant to be broken lets run
away 'cause i don't know how to say this anyway

[chorus]

'cause we don't believe in anything we believe in
yesterday she remembers all the pain and heartache
'cause we don't believe in
Anything we believe in yesterday she remembers all
the pain and heartache

Lets make this a night to remember lets close down all
the roads we drove on together lets hop on the next
train because
We can't regain what's been lost in these lives in this
small town lock the door 'cause i don't need to be in
this place
Anymore

[chorus x4]
