Bombs overhead, do you wanna start a war?
Was everything you needed worth fighting for?
I treat you like a princess, go ahead and wear the
crown
A feeling so high, then you went and shot me down

And I said who do you think you are
Trying to break apart now?
Give me a warning sign when it all, when it all
When it all goes down
Love-la-la-la-love killer, love-la-la-la-love killer
Love-la-la-la-love
And yeah you're shoot shoot shooting, you shoot me
down

Leave your soul bare, meet me at the borderline
You can take what you need, darling, leave me behind

And I said who do you think you are
Trying to break apart now?
Give me a warning sign when it all, when it all
When it all goes down
Love-la-la-la-love killer, love-la-la-la-love killer
Love-la-la-la-love
And yeah you're shoot shoot shooting, you shoot me
down
Love-la-la-la-love killer, love-la-la-la-love killer
Love-la-la-la-love
And yeah you're shoot shoot shooting, you shoot me
down

Love killer, love, love killer
Love killer, love, love killer

I said your wants, your needs, your dreams
The silence of your heart, to me it seems it's pulling us
apart

And I said who do you think you are
Trying to break apart now?
Give me a warning sign when it all, when it all

When it all goes down
Love-la-la-la-love killer, love-la-la-la-love killer
Love-la-la-la-love
And yeah you're shoot shoot shooting, you shoot me
down
Love-la-la-la-love killer, love-la-la-la-love killer
Love-la-la-la-love
And yeah you're shoot shoot shooting, you shoot me
down
