(Verse)

Get me up and get me out
Running in the city with a brand new sound
They got it figured out
Burning up in smoke, talking slow as they spin around

(Pre-Chorus)

Your mind is drowning in the blood red wine
Intoxicated with the violet lights
Meet me in the middle of a crowded line tonight

(Chorus)

Cause it's a slow dance night
Everybody out there wasting time
It's a slow dance night
Everybody out there, Everybody out there
Ooh ooooh ooh ooh ooooh ooh
Everybody out there wasting time
Ooh ooooh ooh ooh ooooh ooh
Everybody out there, Everybody out there

(Verse)

Come on and let it out
Loosen up the collar on the night you found
Let's take it underground
Nevermind the world on the outside is shutting down

(Pre-Chorus)

Your mind is drowning in the blood red wine
Intoxicated with the noise inside
Meet me in the middle of a crowded line tonight

(Chorus)

Cause it's a slow dance night
Everybody out there wasting time
It's a slow dance night
Everybody out there, Everybody out there
Ooh ooooh ooh ooh ooooh ooh
Everybody out there wasting time
Ooh ooooh ooh ooh ooooh ooh
Everybody out there, Everybody out there

Ooh ooooh ooh ooh ooooh ooh

(Chorus)

Cause it's a slow dance night

Everybody out there wasting time

It's a slow dance night

Everybody out there, Everybody out there

Ooh ooooh ooh ooh ooooh ooh

Everybody out there wasting time

Ooh ooooh ooh ooh ooooh ooh

Everybody out there, Everybody out there

Cause it's a slow dance night
