You look perfect;  
You never looked better than this.  
Breathe.  
I know it's different  
No, I'm not like the rest

I fell at the first sight and  
My heart runs my whole damn life.  
Who could say this ain't perfect?

I don't know if I'm ready to go.

So just say it:  
Don't lose faith in the moment.  
We're both right here  
If you want it,  
Please take, take, take  
Our eyes hold our secrets and lies  
And our whole damn life  
I'm sick of this prison so cut me,  
Cut me free

I don't know if I'm ready to go,  
But I'm sure, yes, I'm certain  
That one of us has gotta let go.  
I don't know if I'm ready to go,  
But I'm sure, yes, I'm certain  
That one of us has gotta let go. (But I'm just a kid)

You said we only have seconds,  
So take, take, take  
Cause right now's what I've waited all night for.  
Yeah (I'm just a kid)  
And I said, I'm not gonna waste this,  
So take, take, take  
Cause right now's what I waited all night...

I don't know if I'm ready to go  
But I'm sure, yes, I'm certain  
That one of us has gotta let go

I don't know if I'm ready to go (I'm not ready to go)  
But I'm sure, yes, I'm certain  
That one of us has gotta let go... ohhhh

I don't care.  
Yeah, I'ma stay right here.  
I'm not sure, I'm not certain,  
But something is holding me.  
I'ma stay right here.
