I mean it,  
Every word of it.  
I don't know the future  
But she was never in it

And if she thinks I'm insane,  
I'll try my best to explain  
That's when I'll tell her  
I went to love and back

I'm not giving up  
I'm just starting over  
You're the one I loved  
Thought it would last forever  
I can't be with you when you want me to  
I fell off track  
I went to love and back

I mean it,  
Every word of it.  
I'd be lying if I said I wasn't over it  
And now I'm trying too hard  
We're moving further apart  
That's when I told her  
I went to love and back

I'm not giving up  
I'm just starting over  
You're the one I loved  
Thought it would last forever  
I can't be with you when you want me to  
I fell off track  
I went to love and back

I went to love and back  
I went to love and back  
I went to love and back

Oh oh oh  
I went to love and back  
Oh oh oh

I'm not giving up  
I'm just starting over  
You're the one I loved  
Thought it would last forever  
I can't be with you when you want me to  
I fell off track

I fell off track  
I fell off track  
I fell off track

I went to love and back
