Visit "[Peaceful Night](#)" on MotoLyrics.com

Good morning sun, good morning shine
I feel I'm lost all the time
Somewhere ahead must lay my first
Peaceful night

Crimson flames, golden shores
Where I land don't care no more
Somewhere ahead must lay my first
Peaceful night

Eleventh hour, heart of stone
On bended knees facing home
Somewhere ahead must lay my first
Peaceful night

Almighty above, Almighty below
An unfortunate end to your Civil War
Somewhere ahead must lay my first
Peaceful night
