I'm so close, I'm almost inside
Won't be long before
The mystery is mine
I'm so close, I'm almost inside
But there were times
I hung my head and cried

I'm so close, I'm almost inside
I'm so close racing the tide
I'm so close, I'm almost inside
A dream unchained
That can't escape my mind

I'm so close, I'm almost inside
But there are times
There was no end in sight
I'm so close, I'm almost inside
I'm so close racing the tide

I'm so close, I'm almost inside
Those big waves
We always knew I'd ride
I'm so close, I'm almost inside
I'm so close racing the tide

I'm so close, I'm almost inside
I'm so close racing the tide
I'm so close, I'm almost inside
I'm so close racing the tide
