Visit "[Sudden Ray of Hope](#)" on [MotoLyrics.com](#)

You bring a sudden ray of hope
That's comes with every lightning bolt
I love to watch them go up in smoke

You bring a soft summer smile
Come in every once in a while
I wish, you'd go the extra mile for me tonight

And everybody knows it
But no one wants to show it
They all just want to throw it in my face

You bring a sudden ray of hope
That comes in every can of coke
I love to feel it roll down my throat

You bring a soft subtle style
That comes around every once in a while
Wish you'd go the extra mile for me tonight

And everybody knows it
But no one wants to show it
They all just want to throw it in my face

And everybody knows it
But no one wants to show it
They all just want to throw it in my face

And everybody knows it
But no one wants to show it
They all just want to throw it in my face

And everybody knows it
But no one wants to show it
They all just want to throw it in my face

Now everybody knows
Everybody knows
Everybody knows

Now everybody knows
Everybody knows

Everybody knows
Everybody knows

Everybody knows
Everybody knows
Everybody knows
