I can barely walk from the holes that  
I've shot into my own two feet  
If I were You I would have long ago  
Given up on me  
Cause I'm so in and out and up and down  
When it comes to consistency  
But You'll never give up  
On making me what you want me to be

(Chorus)

You've been more faithful  
Than my mind could ever conceive  
You've been so faithful  
Even when I did not believe  
You're never changing  
And I know that You'll always love me  
So I will be faithful  
And let You make me all that I should be

Yeah, all that I should be

I can't begin to sing about the peace  
That comes from walking with you  
Even so I know I'll stumble down again  
Before my life is through  
But the more I get to know you  
The more I see You love me  
So I will live my life for You  
All the more faithfully

(Chorus)

If I go up to the heavens  
If I go down to the earth below  
When I'm sleeping or if I'm awake  
You are always there  
You are always there

I can't begin to sing about the peace  
That comes from walking with you

(Chorus 2x)

Yeah, all that I should be
