He has not given us a spirit of fear  
Even though it seems to be the time is drawing near  
Even if you take my life you can't take me from God's  
love  
Cause when He calls me home my soul will rise above

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

He wrote and made my faith my future is secure  
So when this world tries to bring it with Him I will endure  
Endure and overcome with power from God's Son  
Cause perfect faith has no fear the victory's been won

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Even to the last day

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

I will not fear though hard times are near  
If God is for us who can be against us  
I will not fear though hard times are near  
He has given I power, love, a sound mind

Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Fear not I am with thee even to the last days  
Even to the last day
