There's always so much you can seek in this life
Money and cars and rings
Houses and clothes and food and toys
People and jobs and things
There's always so much you can be in this life
So many things you can do
But when you honor the Father above
He will take care of you

Seek first the kingdom of God
And His righteousness
All things will be added to you
He will surely bless

Seek first the kingdom of God
And His righteousness
All things will be added to you
He will surely bless

Now there are some things I will seek in this life
Not power, glory, or fame
But wisdom, holiness, humility
To glorify His name
And Jesus said to seek Him first
And His righteousness
So when I live the way He said
He will surely bless

Seek first the kingdom of God
And His righteousness
All things will be added to you
He will surely bless

Seek first the kingdom of God
And His righteousness
All things will be added to you

Why should I worry
About what should I wear
What will I eat now
See the birds of the air

Seek first the kingdom of God
And His righteousness
All things will be added to you
He will surely bless

Seek first the kingdom of God
And His righteousness
All things will be added to you
He will surely bless

Why should I worry
See the birds of the air
Seek first the kingdom
