There is a Creator; He knows my name  
He sees my heart, what's in my brain  
How many hairs might be on my head  
He knows the sum just like he said  
But more than this I know He loves me  
He gave his life just for me

It's undeniable  
If you would only listen  
You'd see what you were missing  
It's undeniable  
If you could just believe it  
You could just receive it  
It's undeniable

When you taste the Living Water  
You'll never be thirsty again  
When you taste the Bread of Life  
You'll never hunger again  
Are you thirsty  
Are you hungry  
Are you thirsty  
Are you hungry  
Are you thirsty  
Are you hungry
