Here it comes
Growing and festering
Stand your ground
Choices made
Time to pay

Noose is tied
No saviour
No last hope
This is it

Armageddon [x3]

Not a dream
Endless days
Close your eyes
Bleeding dry
Apocalypse
Time to die

We are one
Just to
None prevail
In the end

Armageddon
Armageddon

Not a dream
In the end
None prevail
This is it

[Solo]

We stood apart
Together we fall
Of dark

[Solo]

We left a mark

Together we fall
No turning back
Destruction complete

Armageddon [x3]
