Let me born through bloodshed  
Let me be baptised in blood  
Force fed from the cradle  
Indoctrinate wrong is right

Brokering inferno  
I'm first to gain  
Brokering inferno  
I'm last to bleed

Like a plague divine  
Spreading my wings  
Master in the art of deathtrade  
Overshadowing blood soaked soil  
Master in the art of deathtrade

I am the one  
For whom you should die  
Kiss my hand and abide  
You are the one  
To swallow my filth  
You will do my deeds

Brokering inferno  
I'm first to gain  
Brokering inferno  
I'm last to bleed

Like a plague divine  
Spreading my wings  
Master in the art of deathtrade  
Overshadowing blood soaked soil  
Master in the art of deathtrade

Expertise in the art of repressing  
Heretics might as well bleed  
Expertise in the art of oppressing  
To fulfil my need

Like a plague divine  
Spreading my wings  
Master in the art of deathtrade

Overshadowing blood soaked soil  
Master in the art of deathtrade  
Deathtrade  
Master in the art of...  
Master in the art of...  
Deathtrade
