Twisted words  
Spreads a fire so intense  
A fire within - without sense  
Starting movements -  
That darkens sight  
Code is red - Senses fail

Backstabbing  
Another foul part of this game  
Cutting deeper than before  
Leaving scars too deep to ignore

This is the cancer of mankind  
To abhorrent to be  
To this we all are blind  
Dellusionists - mimicking man

Prepare to be crucified  
When no one longer believes  
Raving words of lunatics  
Dreaded underachievers

Bleeding everything dry  
Basking in complacent glory  
Bring the misfits down  
Hypocrites hailed as prophets

[Solo: L. Nirbrant]

This is the cancer of mankind...

Dellusionists - mimicking man

This is the cancer of mankind  
To abhorrent to be  
To this we all are blind  
Dellusionists - mimicking man

This is the cancer of mankind  
To abhorrent to be  
To this we all are blind  
Dellusionists - mimicking man

Pushed off the ledge  
To finally drown  
In the cancer called mankind  
Delusionists unveiled
