Of flesh
Dying inside
From the sickness within
Sacrifices must be made

Addiction to power
Manipulate at will
The story unwinds
Kill

A new machine has awakened
Can you hear it scream
Craving, needing
A new machine has awakened
Bringing down the birth of a new breed
Inside the machine

To create something new
An era has come to end

Addiction to power
Manipulate at will
The story unwinds
Kill

A new machine has awakened
Can you hear it scream
Craving, needing
A new machine has awakened
Bringing down the birth of a new breed
Inside the machine

Inside the machine
Can you hear it screaming?
Inside the machine

To kill
