Afflicted progeny of despair
You are alone now
Once re-born in fire and resolve
Now facing death

Dead flesh
You must kill to survive
Dead flesh
All is lost but the will to stay alive

Instigator of dead flesh
Driven by fear
Instigator of dead flesh
Surrounded by hate
Instigator of dead flesh
The end draws near
Instigator of dead flesh
Time to annihilate

The hymn of ideals and morale
Now washed away with blood
Righteous spirit and a heart of stone
Suffocated by the reek of death

Dead flesh
You must kill to survive
Dead flesh
All is lost but the will to stay alive

Instigator of dead flesh
Commit to atrocity
Instigator of dead flesh
She'd your illusion
Instigator of dead flesh
Iteration of destruction
Instigator of dead flesh
Save your life or your soul

[Solo: L. Nirbant]

[Solo: L. Pignon]

Dead mans blood

Washed away but stains forever
Set in stone, corrupted soul
A killer you have become

Instigator of dead flesh
Driven by fear
Instigator of dead flesh
Surrounded by hate
Instigator of dead flesh
The end draws near
Instigator of dead flesh
Time to annihilate

Instigator of dead flesh
Dead eyes
Instigator of dead flesh
Dead heart
Instigator of dead flesh
Dead soul
Instigator of dead flesh
Dead alive
