Set me free
We know
Leaving you rotting
In a pile of

Hate this life
Hate this life
Out of control
No time for forgiveness
This is the
End to pain

This is the life
Of chosen terror
Everything that passes
Is an error
Now I pray for the pleasure
Crushing, smashing
Only for pleasure

Into, into pain
Step on your body
Crushing your face
Into, into pain
This is an
Inhuman rage

Set me free
No respect
No sign of regret
Or with the aim
Pleasing yourself

End this life
Hate this life
No
Will eat you away

Now take the consequence
You will see root of violence
They'll step up
And grab your throat

You will be the one
Dressed as a scape goat

[Solos]

Into, into pain
Step on your body
Crushing your face
Into, into pain
This is an
Inhuman rage

Into, into pain
Step on your body
Crushing your face
Into, into pain
This is an
Inhuman rage
