Lidless eyes  
Staring into the void hell  
See all  
(See all)  
See through  
(See through)  
Suffocated by  
The sight

Space  
At the right pace  
Burning deep forever

Dreaming of darkness  
Sewing eyes shut  
No way to escape  
Lidless eyes

Experience the horror  
To the abyss  
Collecting machine  
Programmed to witness  
With gold, lifeless eyes  
Pain

Helpless  
Useless

Stand in line  
Walk the line  
To us we  
A piece of

Do as you're told  
Be the puppet  
Your master  
Just slave  
(Slave)

Dreaming of darkness  
Sewing eyes shut  
No way to escape

Lidless eyes

Dreaming of darkness

Sewing eyes shut

No way to escape

Lidless eyes
