Here we go
Just one more time
We could take it slow or make this last, oh
Make this last all night

You see,
It's not you, it's me
I seem to get a little bored of everything
Eventually

Pity pity, how I feel so pretty
When you're down and out

I'm better when I lose control
It's only business, baby, it's nothing personal
And I'm steady when I'm on my own
Just me and Misery...
We work alone

I don't know
Why you're surprised
You know you should've seen this coming, sweetheart
For a long, long time

Pity pity, how I feel so pretty
When you're down and out

I'm better when I lose control
It's only business, baby, it's nothing personal
And I'm steady when I'm on my own
Just me and Misery...
We work alone

I'm better when I lose control
It's only business, baby, it's nothing personal
And I'm steady when I'm on my own
Just me and Misery...
We work alone

I feel better
It's pain over pleasure

Mad without measure
Love under pressure (x2)

I'm better when I lose control
It's only business, baby, it's nothing personal
And I'm steady when I'm on my own
Just me and Misery...
We work alone
