Another fake face in the crowd
Hard to determine who you really are
Why did you have to go
Why did you have to go
I guess betrayal's the new thing now
I don't know what to do
I don't know what to make of this
I feel so helpless

(What went wrong? This Is All Wrong)
How did these events come to pass?
(What went wrong? This Is All Wrong)
How did you fall from grace so fast?
I didn't see it coming.

I didn't see it coming
This time it strikes deep
Rending my trust for you
I watch as you slowly fade away
I watch as you fade
I watch as you fade

Was it worth it?
You've lost everything now
Was it worth it?
Now watch as I walk away
Walk away.
