Whoa whoa  
Whoa whoa  
Whoa

The doctor yells out scalpel scalpel (scalpel scalpel)  
This boy has shrapnel in his leg  
The doctor yells out scalpel scalpel  
Don't make me beg (Whatever, whatever, whatever  
goddamnit)

Chorus:  
Whoa whoa  
Whoa whoa  
Whoa

Whoa whoa  
Whoa whoa  
Whoa

From the hostel to the courthouse  
To my four brick walls  
Back to the hospital  
To the graveyard  
Back to the hostel  
To haunt those halls for good

Chorus x 4

(I'm your knight in shining armor)
