Tell me everything you know
Let me feel your soft touch
And let our love begin to grow
(Begin to grow)

Tell me everything you feel
Show this heart of mine
I'll never take it back
Let's make a deal
(Let's make a deal)

And never give up on me
(I'll never give up on you)
No, I'll never give up on
We'll never give up on

You and me
It's everything that we could be
Take apart my heart and let you in
I'll never give up again

Tell me everything's alright
When I'm lying next to your pretty face
In the middle of the night
(Of the night)

Tell me everything you feel
Show this heart of mine
I'll never take it back
Let's make this deal

And never give up on me
No, I'll never give up on
We'll never give up on

You and me
It's everything that we could be
Take apart my heart and let you in
I'll never give up on

You and me

It's everything that we could be
Take apart my heart and let you in
I'll never give up again

[Instrumental]

You and me
It's everything that we could be
Take apart my heart and let you in
(2, 3, 4)

You and me
It's everything that we could be
Take apart my heart and let you in
I'll never give up again
