I was blind, but now I see  
That you're really no good for me

I was lost, but now it's clear  
I'll be better of when you're not here

There's so much I want to do  
but my plans don't include you

There's so much I want to see  
So many things that I want to be

Letting you go make me hard as stone  
You will be happier when you're alone  
Letting you go make me hard as stone  
I will free you, yeah I will leave you alone

Now your face is full of scars  
They make it hard to see who you are

And your legs are green and cold  
Your 25 but they are twice as old

Letting you go make me hard as stone  
You will be happier when you're alone  
Letting you go make me hard as stone  
I will free you, yeah I will leave you alone

Letting you go make me hard as stone  
You will be happier when you're alone  
Letting you go make me hard as stone  
I will free you, yeah I will leave you alone
